# Kata Pengantar

## Foreword

Dengan mengucapkan syukur ke hadirat Tuhan Yang Maha Esa, buku “Statistik Perasuransian 2015” ini akhirnya dapat diterbitkan untuk seluruh masyarakat Indonesia, khususnya pemerhati industri perasuransian di Indonesia.

Buku “Statistik Perasuransian 2015” ini merupakan penerbitan laporan kegiatan usaha perasuransian yang berisi tentang kegiatan usaha perasuransian tahun 2015 beserta perkembangannya selama lima tahun terakhir. Buku ini disusun sebagai salah satu sarana untuk memberikan informasi kepada masyarakat mengenai usaha perasuransian di Indonesia. Besar harapan kami, buku ini dapat bermanfaat bagi masyarakat, khususnya industri asuransi dan pengguna yang tertarik dengan industri asuransi Indonesia. Buku ini juga dapat diakses melalui situs resmi Otoritas Jasa Keuangan dengan alamat [www.ojk.go.id](http://www.ojk.go.id).

Sejak penerbitan buku “Statistik Perasuransian 2012”, angka-angka pada lampiran asuransi jiwa dan asuransi kerugian, khususnya pada data keuangan, merupakan angka asuransi konvensional saja. Data mengenai asuransi syariah disajikan tersendiri. Data yang digunakan dalam data agregat pada bab I dan data keuangan yang disajikan dalam lampiran buku “Statistik Perasuransian 2015” ini disusun berdasarkan laporan keuangan tahun 2015 yang telah diaudit oleh akuntan publik. Data teknis asuransi disusun berdasarkan laporan operasional tahun 2015 yang dilaporkan perusahaan kepada Otoritas Jasa Keuangan.

Pada penyusunan buku “Statistik Perasuransian 2015” ini, kami melakukan koreksi terhadap beberapa data statistik yang disajikan pada buku tahun sebelumnya sehingga beberapa data tersebut berbeda dengan yang disajikan pada buku tahun sebelumnya.

Kami menyadari kebutuhan penyempurnaan buku tahunan ini masih sangat tinggi. Kritik dan saran penyempurnaan masih sangat kami harapkan. Akhir kata, kami mohon maaf apabila masih ditemukan kesalahan data dan informasi yang disajikan dalam buku ini.

*Let us offer praises and gratitude to God Almighty for His mercy and blessing that the book of “Insurance Statistics 2015” can be published for Indonesian communities and insurance industry observers in particular.*

*This publication covers the Indonesian insurance business in 2015 and its development in the last five consecutive years. This book is published as one of the tools for sharing information to public about Indonesia insurance business. It is our great wishes that this book would be useful for public, especially for insurance communities who are interested in Indonesian insurance industry. It is assessible through the official website of Indonesia Financial Services Authority at [www.ojk.go.id](http://www.ojk.go.id)*

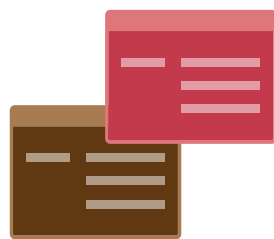

*Since publication of “Insurance Statistics 2012”, the figures in the appendix life insurance and general insurance, specifically in commercial insurance financial data, include conventional insurance data only. Data on Sharia insurance is presented in a separate table. The financial data presented in aggregate data in chapter I and in the exhibit of this book were compiled from the 2015 audited financial statements of insurance business. The technical data were compiled from the 2015 operational reports submitted to Financial Services Authority.*

*Moreover, we have also corrected some statistical data presented in the previous years book so that they may now be presented differently compared to those presented in previous book.*

*We realize that the book still needs a lot of improvements. Constructive comments and inputs are most welcome. Lastly, we apologize for any incorrect data and information that may be presented.*
